

## Successful Ratification

I am very pleased to report that the membership voted overwhelmingly at last night's GMM to ratify the tentative agreement. Thanks to everyone who was able to attend, it was an excellent turn out. I would like to take this opportunity to acknowledge the hard work and tremendous accomplishments of the TUFA bargaining team: Sue Wurtele, Dirk Wallschlaeger, Michael Epp and Marcus Harvey.

The Board of Governors met this morning and ratified the agreement just before noon. TUFA will be working with the employer to implement the new agreement and prepare a clean text version of the entire agreement for distribution to all members.

Please contact the TUFA office, the TUFA president or the Chief Negotiator with any questions about our new Collective Agreement.

In solidarity,  
Jocelyn Williams (TUFA president)

CCE3 & CCE2

Consistent with Canada's anti-spam legislation (CASL), members wishing not to receive commercial electronic messages (CEMs) from TUFA may inform us of this fact by reply to this message. Members opting out in this fashion would continue to receive non-commercial electronic messages from us, but anything identified as potentially constituting "commercial" content would be sent to them in hard copy via their campus mail addresses rather than electronically. TUFA is of the view that the vast majority of the email messages it sends to its members are not CEMs as defined by the act and/or are exempt from CASL.
