Dear Colleagues:

The Trent University Faculty Association is firmly in support of the members of the St Francis Xavier Association of University Teachers (StFXAUT) who determined that a principled stand was required in order to secure a fairer workplace.

In particular, we commend StFXAUT for placing the needs of their newest members to the fore and insisting that the first collective agreement to cover Writing Centre Instructors provide much needed improvements to those members' terms of employment. This is Solidarity at its best and TUFA is pleased to make a contribution in support of our fellow unionists, colleagues, and this worthy struggle.

In Solidarity,

David Newhouse,
President
